

SUMMER EQUINOX

This is the title of the concert that we invite you to attend on 21 June 2014, 17:00 h, when young musical talents will perform at the hall of the National Academy of Music at 94 Evlogi Georgiev Blvd. in Sofia.

We have included in the programme works by Felix Mendelssohn Bartholdy, Astor Piazzolla and the less known Franz Drdla. The performers are students from the National Academy of Music "Prof. Pancho Vladigerov" and the National School of Music "Lyubomir Pipkov".

They all will participate in the master classes and concerts of Music Campus Balchik to be organised from 3 to 10 September 2014 under the patronage of the Culture by the Border Association, Switzerland and the Palace Cultural Centre State Institute. With this event we aim at establishing and promoting an attractive platform for meetings and development of young musical talents in Bulgaria.

The first edition of Music Campus Balchik offers master classes in violin, viola, violoncello, flute and chamber brass ensembles. Our lecturers are esteemed and valued professionals from Bulgaria, Switzerland and Spain.

Contributing to the funds raised at the concert you will support the participation of 30 young musical talents from Bulgaria at the Music Campus Balchik.

I extend my sincere gratitude and

Welcome you at the holiday of the summer equinox!

Jasmina Stalder
Chairperson of the CULTURE BY THE BORDER Association
